

Introduction to the Spiritual Kingdom of God:

Preached on 11/05/2017

As the Spiritual Israel expanded into the Gentiles and become the Christian Church, the Fleshly Israel remained as the Jewish people under Rabbinic Judaism, which is Pharisaism. It turned from the Torah (Written Law) to the Mishnah (Oral Law); from the Bible (Tanak/OT, Theism) to Talmud (Racist Humanism) and Kabbala (Babylonian Mysticism, Neo-Platonism). Only the Karaites follow Tanak. The bloodline thinned to 90% proselytes (Edomite, Berber, and Khazarean). The Visible Kingdom of God really needs an upgrade. Jesus offered a Spiritual Kingdom (Kingdom of Heaven) in the *Five Pillars of Matthew*, as Moses offered the Visible Kingdom in the *Five Books of Torah*.
