

**The Condition for Entering the Spiritual  
Kingdom (Beatitude 1): Preached on 11/12/2017**

Men are made of the dust and a breath of God. Understanding the spiritual truth is hard for men unless illustrated by physical object lessons. The Visible Kingdom (Israel) is an object lesson on the inability of physical Mankind in understanding and becoming spiritual. Therefore, humility as a result of being “poor in spirit” is the prerequisite for entering the Spiritual Kingdom (Church). Pharisaic Judaism had a blazing pride and none of the humility.
