

## **Why Should We Seek for Perfection? (Beatitude 4):**

**Preached on 12/03/2018**

The first four Beatitudes describe how God cracked through the hard shell of a sinner's soul in order to inject the new spiritual life of an elect. The first beatitude creates a seeker; the second creates a repentant believer; the third creates the proof of salvation; and, the fourth a seeker of perfection. Having become sons of God, Christians want to be like our Father, who is perfect.
