

How Can We Have a Pure Heart? (Beatitude 6):

Preached on 12/17/2017

A pure heart is having the right motive for life and service. Christ explained in the accompanying sermonette: (1) Do not give services (like fasting) for fame; (2) Do not heap wealth on earth, dim the eyes, or serve two masters; (3) Do not worry for provisions (food or clothing); (4) Seek after God's kingdom and live in today (not past or future). A pure heart puts God's value over self's. It makes possible for the presence of God in a believer's life and ministry; thus, "seeing God."
