

How Can We Become Peacemakers? (Beatitude 7):

Preached on 01/14/2018

The service for God is to become peacemakers: leading people to have peace with God and one another. Christ illustrated how to do it: (1) Judge self before judging others; (2) Know the limit of our power in outreach; (3) Have faith in our Father; and (4) Live by the Golden Rule. If we do our Father's ministry, people will recognize us as the sons of God.
