

The Guaranty of Going to Heaven (Beatitude 8):

Preached 01/21/2018

When believers are significantly transformed, they will be persecuted for the sake of righteousness. They are fit for heaven but not for this world. Jesus listed four kinds of people based on orthodoxy and orthopraxy: (1) right belief and right act (fruitful believers); (2) wrong belief and wrong act (false prophets); (3) wrong belief and right act (false believers); and (4) right belief and wrong acts (unfruitful believers).
