

## **The 5 Enigmatic Kingdom Parables (Matt 13, Pt. 3): Preached on 03/04/2018**

Jesus gave five more Kingdom Parables in a brief and enigmatic fashion. A “Flat Interpretation” sees them speaking about various aspect of the Church: the second and the third parables are about the growth of the Church; the fourth and the fifth are about the value of the faith; the seventh is about the completeness of the Kingdom. Through a “Dynamic Interpretation,” we see that the seven parables are prophecies about the seven stages of the Church history. The pattern fits, as the future proves the past.
