

What Were Noah's Days Like? (Matt 24:37-39)

Preached Sunday, May 13, 2018

Jesus mentioned that the end time would be like the Days of Noah. His main point was that the people would be unaware of the pending disaster until it is too late. A hinted message is perhaps the presence of the Nephilim ("Fallen Ones"), fallen angel (demons) who took a body. The Bible says that Nephilim were present "then and afterward." The Nephilim today could be the so-called "aliens/extraterrestrials." If so, the Bible explained their origin and nature and equipped us with the defense against bullying and deceptions.
